On foot

Bristol City Centre is a great place to discover on foot and has a number of distinctive areas to explore. Many of Bristol's attractions are a short distance from The Central Promenade (K5), which is approximately 15 minutes walk from Temple Meads Station (R6) and under 10 minutes from the Bus & Coach Station (M2).

If you are here to **shop**, the main areas to head for are Broadmead (N3), Cabot Circus (N3), Park Street (H4), the West End (F3), St. Nicholas Markets (M4) and Clifton (C4). A Shopmobility service is provided at the Cabot Circus Car Park.

You will find places to stop for a **coffee** and a **bite to eat** throughout the City Centre, including Welsh Back (M6), West End (H4) and near the At-Bristol Science Centre in Harbourside (H6).

An excellent way to see the city is to follow the footpaths alongside the Floating Harbour or walk to the top of Brandon Hill (F4), off Park Street, which offers a **panoramic view** of the city. Parts of Bristol are hilly, so if you are planning to visit Clifton Village, the Suspension Bridge, Bristol Zoo Gardens or the Downs you may find it easier to catch a bus.
